

Our Mission

We perform business activities from a neutral, scientific standpoint, holding ethics and autonomy in high regard, for the improvement of quality and safety in health care, and to ensure reliable healthcare system, as a way to contribute to the betterment of our nation's health and welfare.

Our Values

We espouse the following values in our business.

- To build a relationship of mutual trust and cooperation with patients, families, healthcare providers, and all other related parties.**
- To deal with all matters in an unbiased, fair manner.**
- To ensure transparency, and fulfill accountability to society.**
- To bring together our collective strength from a scientific and professional perspective, to support the improvement of quality and safety in health care.**
- To continue to challenge to higher standards.**
